Dear Hans Zigman, Illinois Office of Management and Budget

The Illinois House and Senate recently convened a Joint Hearing to address issues surrounding Legionnaires' disease outbreaks at the Illinois Veterans Home at Quincy. The directors from the Illinois Department of Public Health and Illinois Department of Veterans Affairs were invited to testify. As part of the discussion, those directors were asked to provide to the committee information and communications related to the Veterans Home. As the scope of the issues and projects that have been discussed are likely to include your agency, I wanted to extend a similar request for information and communications.

Specifically, I am requesting all electronic and paper communication records and documents between the dates of June 15, 2015, and Friday, Jan. 12, 2018, that contain information directly or indirectly related to or references to the Illinois Veterans Home at Quincy between the Illinois Office of Management and Budget and any representatives or staff of the following agencies and government entities where applicable:

Governor Bruce Rauner's office  
Illinois Department of Public Health  
Illinois Capital Development Board  
Illinois Environmental Protection Agency  
Illinois Department of Veterans' Affairs  
Illinois Veterans Home at Quincy  
Centers for Disease Control and Prevention

These documents will help our bipartisan committee better serve and care for Illinois' veterans by ensuring the proper protocols and procedures are in place.

Please provide a response by January 25, 2018. I thank you in advance for your cooperation with this vital request. In addition, we will likely be in contact with your office regarding future hearings of the committee regarding this issue.

If you have any questions or concerns, please do not hesitate to contact my office at (630) 903-6662 or (217) 782-9463.
