

SB 0275	Requires the Secretary of State to offer an 8-year driver's license to qualified applicants by July 1, 2027. Requires the Secretary of State to submit proposed rules to implement this option to JCAR by January 1, 2027.
SB 0331	Requires the Board of Trustees of each public university and community college to pay employees their daily, regular rate of pay and benefits if a campus is closed to a city, county, or state declaration of a winter weather emergency.
SB 0426	Establishes an emerging adult programs for persons aged 18 to 21 who have been committed to the Illinois Department of Corrections.
SB 0461	Expands the qualifications for in-state tuition costs at public universities if a person has attended an Illinois high school, community college or the combination for at least 2 years and a cumulative total of at least 3 years before enrolling at the university.
SB 0508	Prevents an employer from imposing work authorization verification requirements that are greater than those required by federal law and bars employers from taking any adverse action against the employee based on receipt of the notification.
SB 0536	Allows a public agency to adopt an ordinance to allow for investment of public funds in other instruments if the investments are in accordance with laws and investment policies. Extends the coporate maturity rate from 3 to 10 years.
SB 0647	Changes the name of the existing Andrew McFarland Mental Health Center in Springfield to the Elizabeth Parsons Ware Packard Mental Health Center. Combines and incorporates language regarding maternal mental health across multiple statutes into one section.
SB 0691	Expands the ability to acquire by purchase, gift, or legacy, and hold real property for the purposes to all regional planning commissions, not solely joint regional commissions.
SB 0694	Allows counties to increase the fees allowed in the predictable fee schedule if the increase is justified by an acceptable cost study or internal analysis of a minimum of 3 years. Requires an increase to be adopted via ordinance or resolution.
SB 0762	Codifies an Insurance Business Transfer process in which a transferring insurer sells insurance obligations or risks associated with existing insurance policies to a purchasing insurer.
SB 0839	Designates hazardous paint and paint-related waste as a category of universal waste subject to the streamlined hazardous waste rules.
SB 0857	Requires the Inspector General to conduct annual unannounced site visits of every mental health or developmental disabilities facility in the state.
SB 0859	Creates the Office of Economic Equity and Empowerment to assist minority, women, veteran, non-for-profit corporation, and businesses owned by persons with disabilities by providing outreach and promotional activities.
SB 0860	Requires the Department of Human Services to develop a medication administration training program for authorized directed staff at certain facilities for persons with a developmental disability.
SB 1087	Establishes a public awareness campaign on the impact of mold and requires the Department of Public Health to review the technology and maintenance techniques every five years.
SB 1089	Requires the Capitol building and every rest stop along the interstate highway to install and maintain at least one adult changing station.
SB 1102	Provides that the Shelby County Board may form, fund, and operate a volunteer rescue squad to assist law enforcement, firefighters, emergency disaster response, and any other first responder services within Shelby County.
SB 1479	Strengthens the Department of Insurance's authority to conduct market analyses, market conduct examinations, data calls, and record examinations.

SB 1779	Establishes requirements that a facility must meet to participate in the Medication Aide Program, which affords licensed nursing professionals more time to provide critical resident care, while also heightening job satisfaction levels for nurses and offering a potential career path for CNAs.
SB 2195	Requires health insurers to provide coverage for medically necessary prosthetic or custom orthotic devices for any enrollee, regardless of age.
SB 2197	Provides that the Independent Juvenile Ombudsman within the Department of Juvenile Justice must also serve as the ombudsman for county-operated juvenile detention facilities, in addition to DJJ facilities.
SB 2442	Prohibits hospitals from directly billing a patient that is 138% below the federal poverty line.
SB 2601	Requires property owners to disclose to potential tenants if a property is located in a FEMA Flood Hazard area, or if a specific unit has flooded previously.
SB 2617	If a county government does not have their own health department, the county government will work with an adjacent health department, including Mobile Farmers Market, to register cottage food operations in the county's jurisdiction and take care of complaints, inspections, fees and penalties.
SB 2625	Restricts the locations where alcohol-infused products and co-branded alcoholic beverages can be displayed and sold in retail establishments to prohibit alcoholic beverages from being displayed directly adjacent to non-alcohol-infused products.
SB 2628	Requires land development activities owned, funded or operated by state agencies into compliance with FEMA's Nation Flood Insurance Program requirements.
SB 2641	Insurers must include monitoring reports for each network hospital and facility to IDOI, to include numbers of each type of physician providers under contract, and demonstrate they have sufficient numbers for timely access for patients.
SB 2643	Adds identification rules and regulations for the handling and storing of human bodies. When the Illinois Department of Finance and Professional Regulation receives a complaint, the agency is required to inspect the premises within 10 business days.
SB 2644	Creates a statewide electronic Advance Directive Registry for Physician Orders for Life Sustaining Treatment -- POLST -- form.
SB 2654	Allows a person to recover medical devices, social security cards, passbooks, higher education and textbooks from a vehicle which is being held by a towing company. If the vehicle is stolen and later towed, storage fees cannot be charged if the vehicle is recovered within seven days.
SB 2662	Provides that a manufacturer, distributor, or retailer may not advertise, market, or promote an electronic cigarette in a manner that is likely to cause a person to mistake the electronic cigarette for a product that is not a tobacco product.
SB 2667	Creates the Illinois United States Tennis Association/Midwest Tennis Foundation for Youth Tennis decal for special universal license plates.
SB 2672	Requires any provider of a group or individual policy of accident and health insurance or a managed care plan to provide coverage for a brand name prescription drug, if a generic drug is unavailable due to a supply issue until the generic drug is available.
SB 2682	Establishes the Women in Technology Task Force and creates guidelines regarding the appointments, meetings, duties, and overview of the Task Force.
SB 2683	Adds the use of an electronic tracking system to the definition of "course of contact" of stalking. Allows a judge to prohibit a respondent from using an electronic tracking system or acquiring tracking information to determine the petitioner's location, movement or travel patterns.

SB 2697	Requires insurance coverage for evidence-based cancer imaging for individuals with an increased risk of cancer.
SB 2702	Requires a fire sprinkler inspector to be exclusively employed by a single fire sprinkler contractor, but can hold other unrelated employment.
SB 2715	Prohibits the disclosure of Long Term Care Ombudsman Program records unless pursuant to subpoena or with permission from the State Ombudsman. Creates procedures for the disclosure of program records by the State Ombudsman with consent to disclose from the individual or by court.
SB 2731	Extends the sunset date for the Genetic Counselor Licensing Act to Jan. 1, 2030. Requires the Illinois Department of Financial and Professional Regulation to provide and maintain records of a certified shorthand report of any disciplinary case concerning licensed genetic counselors.
SB 2735	Requires insurers and managed care plans to notify health care providers that there are fees associated with the payment method they have chosen and notify the health care provider of what the total fee will be before initiating the first payment.
SB 2737	Eliminates "do not compete" and "do not solicit" clauses from employment agreements for individuals providing mental health services to first responders and veterans.
SB 2740	Requires condominiums to provide an accessible parking space to a unit owner with a disability. Grants the private right of action to compel the condominium to offer an accessible parking space.
SB 2743	Creates the Water Plan Task Force Act and codifies the State Water Plan Task Force.
SB 2744	Requires all group and individual insurance policies and managed care plans to provide coverage for COVID-19 vaccines, flu vaccines, and respiratory syncytial virus vaccines, without any cost to the covered individual.
SB 2745	Removes the requirement that licensed retail sellers of alcoholic liquors display the hotline number for the Office of Alcoholism and Substance Abuse.
SB 2747	Establishes that the Dept. of Natural Resources will determine which plants are exotic weeds and will consult with the Dept. of Agriculture before adding or removing any plant from the exotic weed list.
SB 2751	Prevents a veteran with a disability or their caregiver to be charged a building permit fee for improvements to the residence that are required to accommodate the veteran's disability. The County/ Municipality is in charge of determination of proof.
SB 2764	Requires businesses that offer a free trial or promotional period of its products and services that automatically renew to notify consumers by email at 3 days before the cancellation deadline. This applies to free gift or trial periods that last longer than 15 days.
SB 2765	Allows courts to pierce the corporate veil of a limited liability company under the Limited Liability Company Act to hold members of an LLC personally liable for the debts, obligations, and liabilities of that company.
SB 2767	Seeks to reduce the minimum shotgun gauge allowed for taking wild turkey, from 20 gauge to .410 bore in the Wildlife Code.
SB 2770	Prohibits non-compete and non-solicitation agreements in the construction industry.
SB 2778	As amended, deputy sheriff applicants can request an examination as soon as possible before the next examination date after their application is received, rather than two weeks after.
SB 2779	Requires counties to indemnify and hold harmless a physician who has been designated by the county or the coroner's office to perform autopsies for all of the physician's acts.
SB 2781	Mitigates the effects of climate change by encouraging the maintenance and growth of forests, prairies, and other landscapes.
SB 2788	Clarifies how abused and neglected child reporting occurs under the State Central Register.

SB 2799	Implements a procedure for cases of self-neglect, which requires provider agencies to administer an eligibility screening to determine whether an eligible adult is a substantial threat to themselves or others.
SB 2819	Removes the provision that licensed architects must complete all examinations required by IDFPR within five years of passing the first examination. Provides that licensed architects must complete all exams as required for licensure.
SB 2824	Allows a child to remain tuition-free in their former school or school district the child would have attended if the child moved to another school district due a Department of Children and Family Services temporary placement with a relative caregiver or non-custodial parent.
SB 2834	Prohibits the eviction of a mobile home tenant for failure to pay rent to a mobile home park that have not applied for a license or a license renewal and have failed to submit all fees due.
SB 2850	Increases the maximum salary of a member of a river conservancy district from \$3,000 per year to \$6,000 per year, and permits the board to adjust compensation to keep pace with inflation.
SB 2861	Requires the Illinois High School Association and Illinois Elementary School Association to adopt the Spirit Rules Book published by the National Federation of State High School Associations.
SB 2872	Requires each school district to provide students, in addition to and not substituting recess, at least 20 minutes a week for relaxation activities.
SB 2876	Requires owners and operators of large event facilities to participate in their respective county recycling program and send recyclable materials from the facility to a recycling center.
SB 2879	Raises the amount necessary for fire protection districts to enter the competitive bidding process for contracts related to fire protection districts from \$20,000 to \$50,000, either individually or through joint governmental or nongovernmental purchasing programs.
SB 2918	Prohibits municipalities from discharging a police officer as a result of their having a physical or mental disability that forms the basis of an application for benefits.
SB 2919	Permits the judge, the sheriff, or other third party conducting the sale to conduct a judicial sale in person, online, or both at their own discretion. Mortgagees may request if the sale is done in person, online, or both.
SB 2930	Requires charitable organizations that annually reports with \$1 million or more in grants to other charitable organizations to disclose on their public-facing websites, if one exists, the aggregate demographic data of their boards of directors.
SB 2933	Prohibits a consumer reporting agency from making or furnishing a credit report containing or reflecting any adverse information about the consumer that the agency knows or should know relates to medical debt.
SB 2934	Amends the criminal offense of hazing to provide that it is not a defense to a prosecution for hazing that the person against whom the hazing was directed consented to or permitted the hazing.
SB 2935	Creates a right of first refusal for residents of a mobile home park. The homeowners must create and incorporate a homeowners' association to act on their behalf. If the park owner elects to sell, they must first notify the association of the offer and the price, terms, and conditions of the sale.
SB 2938	Expands the territories by which a mosquito abatement district can annex another territory.
SB 2957	Allows a nursing home resident to give consent for the Department on Aging Ombudsman's office to view their medical records orally, visually or through use of auxiliary aids.
SB 2959	Allows the Secretary of State to issue Sons of the American Legion license plates to residents who meet eligibility requirements. Provides that all money in the Sons of the American Legion Fund shall be paid as grants to the Illinois Detachment of the Sons of the American Legion.

SB 2968	Updates the demographic information and categories used to standardize data collection by the Governor's Office of Equity, the State Board of Education, and multiple other State agencies.
SB 2976	Creates the State Historic Preservation Board to advise the Department of Natural Resources on methods of protection, conservation and management of state historic sites.
SB 2980	Requires the Department of Children and Family Services to post information on its website regarding proposed changes to childcare institutions, maternity centers, or group homes licensed by the Department.
SB 3098	Prohibits electronic cigarettes purchased by mail, through the Internet, or other remote sale methods from being shipped to anyone under 21 in the state other than a distributor or retailer.
SB 3112	Makes various changes related to voting requirements and timelines for the Long Term Care Advisory Board and the DD Facility Advisory Board.
SB 3115	Requires a written transition plan to be submitted to IDPH to ensure that adequate staffing and care remain in place during the transfer of ownership of a nursing home. If a facility does not follow its transition plan and harm to a resident is found, the facility may be given a high risk designation.
SB 3116	Requires all EMS Personnel, State Police, and Police Officers to be trained on how to access a cellphone's built-in medical identification information that is accessible without a passcode.
SB 3130	Makes several changes to allow the Department of Insurance to effectively manage the State-Based Marketplace once it goes into effect.
SB 3136	Establishes the Family Recovery Plans Implementation Task Force within IDHS to address the treatment needs of infants born with prenatal substance exposure. Makes further changes to clarify that a finding of prenatal substance exposure does not solely demonstrate evidence of child abuse or neglect.
SB 3173	Permits a county to lease, license, or grant access to the use of infrastructure, including fiber optic cables, that the county owns or controls to public or private entities to allow for the delivery of broadband services.
SB 3174	Extends the Underground Railroad Task Force report date from July 1, 2024, to December 31, 2024.
SB 3201	Requires the Illinois Law Enforcement Training Standards Board to develop or approve a course to assist law enforcement officers in identifying and responding to individuals with autism.
SB 3202	Ensures protocols for pedestrian safety are included in municipality/local government bicycle transportation plans.
SB 3203	Prohibits health insurance providers from denying or limiting coverage for prescription inhalers starting Jan. 1, 2026, and caps the cost of an inhaler to no more than \$25 per 30-day supply.
SB 3207	Allows daycare centers to operate for 24 hours or longer and provide care for a child for up to 12 hours if the parent or guardian is employed in a position that requires regularly scheduled shifts.
SB 3208	Requires employers to retain copies of employee pay stubs for at least 3 years and provide pay stubs to current and former employees upon request.
SB 3211	Provides that an individual without discipline applying as a licensed marriage and family therapist who has been licensed at the independent level in another U.S. jurisdiction for at least 30 months during the five consecutive years is not required to submit proof of completion of education, professional experience, and supervision and must submit certified verification of licensure from said jurisdiction.
SB 3219	Provides that the Department of Commerce and Economic Opportunity may, subject to appropriation, provide grants for equipment upgrades for farmer-owned grocery stores or markets.

SB 3232	Requires hospitals to provide a person who relinquished a newborn infant with the name and contact information of the child welfare agency that received custody of the relinquished infant, if the relinquishing parent returns to reclaim the infant within 30 days.
SB 3235	Carries out studies that identify and delineate geographies in Illinois exhibiting significant disparities by protected characteristics in financial products or services and identify policies, procedures, patterns, or practices that have or may have a disparate impact or discriminatory effects.
SB 3238	Eliminates the sections pertaining of higher education supplier diversity report and race and gender wage reports from the Department of Central Management Services Law of the Civil Administrative Code and transfers those reports to the Commission on Equity and Inclusion.
SB 3239	Disbands the Health and Hazardous Substance Coordinating Council.
SB 3277	Creates a Duchenne Muscular Dystrophy Program to bring awareness and credible information to patients and physicians that is subject to appropriations.
SB 3279	Allows the Illinois Emergency Management Agency and the Office of Homeland Security to approve requests for terminating licenses of milling facilities after the local municipality or county adopts ordinances restricting ground water use and addresses public safety.
SB 3284	Makes various changes to the Illinois Marriage and Dissolution of Marriage Act including court ordered counseling agreements and support payments.
SB 3285	Allows individuals who plead guilty to petition for re-sentencing provisions.
SB 3288	Provides that records and communications may be disclosed for research purposes in accordance with HIPPA and removes the witness attestation requirement.
SB 3297	Lowers the age of eligibility for the Housing is Recovery Pilot Program from 21 years old to 18 years old.
SB 3305	Requires any provider of dental coverage to annually submit a dental loss ratio filing to the Department of Insurance.
SB 3310	Extends the statute of limitations for bringing a civil rights violation complaint from 300 days to 2 years and updates the relief available to include punitive damages and damages.
SB 3314	Establishes rules for refinancing consumer legal funding amounts and specifically states in contract the ability for a consumer to refinance legal funding amounts.
SB 3318	Requires the State Employee Group Insurance Program to cover all medically necessary FDA-approved treatments and medications prescribed to slow the progression of Alzheimer's Disease. This coverage is not subject to step therapy.
SB 3342	Requires 24 hour notice to be given before the state or a unit of local government applies a pesticide intended to control mosquitoes to a public right-of-way.
SB 3343	Addresses the liquidation of virtual currency and provides more flexibility concerning the requirement of liquidating such currency in cases where liquidation is not cost effective, impossible, or would result in market distortion.
SB 3349	Allows students attending both public and non-public schools to obtain a State Global Scholar Certification remotely if their school does not offer an in-person option.
SB 3350	Allows the Dept. of Humans Services to establish or authorize programs to dispense and distribute fentanyl test strips to promote harm reduction efforts and prevent overdoses as part of the existing Drug Overdose Prevention Program.
SB 3351	Provides that an elderly parent and an adult child with disabilities of the opposite sex shall not be required to occupy subsidized housing with only one bedroom.

SB 3362	Subjects retailers that maintain a place of business in Illinois to the Retailers' Occupation Tax for sales made outside of the state to Illinois consumers fulfilled from inventory located outside of the state.
SB 3378	Repeals the required meningococcal educational materials for age-appropriate children to be provided to schools. The vaccine became mandated in schools in 2015. Thus, it is no longer necessary to supply the educational materials.
SB 3389	Makes changes in the Regional Planning Act regarding CMAP including what changes can be made with a simple majority of board members, and removed language that would require the General Assembly to appropriate funding annually.
SB 3405	A county may use funds designated by law or ordinance for transportation purposes to fund rides for persons to attend problem solving-courts. The county may enter into an intergovernmental agreement with another unit of local government for purposes of providing rides to problem-solving court.
SB 3406	Requires the Secretary of State's Illinois Rules of the Road publication to include images and descriptions of the hazardous material placards used on vehicles transporting hazardous materials.
SB 3407	Allows meat processors to sell or donate processed deer meat that has been left unclaimed, or if the owner wishes to donate it, without having to be a member of the Illinois Sportsmen Against Hunger program.
SB 3412	Creates the Uniform Money Transmission Modernization Act, which modernizes regulations for money transmission in Illinois and aims to harmonize state licensing, regulation, and supervision of money transmitters operating across state lines by adopting a single uniform set of supervisory rules.
SB 3418	Counties under township organization or Counties organized as a commission form of Government with a road district, a board of trustees may elect or appoint a highway commissioner or clerk to provide highway commissioner or clerk services.
SB 3421	Prohibits third parties from refusing to honor a legally-executed power of attorney based on specific, minor technicalities. The bill also provides certain circumstances where it is reasonable to refuse to honor a power of attorney for property.
SB 3430	Requires HFS to develop, post, and maintain a comprehensive informational guide that explains the 5 year Medicaid look back period as it applies to long term care coverage and specifies what information must be included in that guide.
SB 3434	Authorizes the IEMA-OHS to adopt rules for the implementation of its State-funded grant programs.
SB 3448	IEMA must provide more thorough, accurate information on exact locations of Tier II chemicals to local and county emergency response dispatchers and planners.
SB 3455	Commissions the Department of Revenue, in consultation with the Department of Commerce and Economic Opportunity, to conduct a comprehensive study evaluating the entire property tax system in the State of Illinois, including its constituent parts.
SB 3460	Codifies common practices for the initiation of a self-storage unit lease and allows a self-storage facility owner to reasonably move on at the end of a unit lease so they can find another renter. Also allows rental agreements for a self-service storage unit to be accepted by electronic mail.
SB 3463	Requires a future court date for the automatic expungement of juvenile court records to be scheduled on the same day juveniles are sentenced to streamline the expungement process.
SB 3467	Amends the Speech-Language Pathology and Audiology Practice Act by adding qualifications for graduate SLP assistants to include completion of requirements for certification as required by the IDFPR, also much include that the assistant program must have 36 hours of related introductory courses.
SB 3471	Allows the Secretary of State to issue a new set of license plates to an owner of a vehicle whose plates were stolen.

SB 3479	Amends the Consumer Fraud and Deceptive Business Practices Act to require veteran service disclosures when veteran or military benefit services are offered in exchange for financial compensation, benefit or thing of value.
